Your Property

MAKE A LIST

Keep a list of serial numbers, purchase receipts and pictures of your property in case of theft. You can provide this information to the police and your Insurance Company to identify what belongs to you and the property's value. Complete the list and keep it in a safe place.

BIKES

98% of bikes in police impounds are not returned to their owners because the police are unable to identify their owners. Why not register your bike for free at:

WHAT YOU CAN DO IF YOU ARE A VICTIM OF A BURGLARY OR THEFT.

Some thieves attempt to sell your property on EBay, Craigslist or at pawn shops. If you do find your property and have a way of identifying it, provide the information to the police. This information maybe a lead that the police can pursue. Property that is recovered by the police is kept in police impounds. Many times the owners of the property cannot be identified and the property is sold at auction. You can check for your property at:
